The Horse Protection Regulations restrict the following conduct:

9 C.F.R. § 11.2(c) Prohibition concerning exhibitors – Substances

c) Substances. All substances are prohibited on the extremities above the hoof of any Tennessee Walking Horse or racking horse while being shown, exhibited, or offered for sale at any horse show, horse exhibition, or horse sale or auction, except lubricants such as glycerine, petrolatum, and mineral oil, or mixtures thereof: Provided, that:

- (1) The horse show, horse exhibition, or horse sale or auction management agrees to furnish all such lubricants and to maintain control over them when used at the horse show, horse exhibition, or horse sale or auction.
- (2) Any such lubricants shall be applied only after the horse has been inspected by management or by a DQP and shall only be applied under the supervision of the horse show, horse exhibition, or horse sale, or auction management.
- (3) Horse show, horse exhibition, or horse sale or auction management makes such lubricants available to Department personnel for inspection and sampling as they deem necessary.

9 C.F.R. § 11.3 – Scar rule

“The scar rule applies to all horses born on or after October 1, 1975. Horses subject to this rule that do not meet the...scar rule criteria shall be considered to be “sore” and are subject to all prohibitions of...the Act.”
